SUMMER FUN SCHOOL 2017 (31/7/17 – 25/8/17)

Registration is open to primary aged children. We have three acres of grounds, including woodland, sports fields etc. that all the children are able to access.

A variety of projects, outings and special events are organised each week. These include: - *Art & Craft projects, Sports, Water Slide / Games, Orienteering, Music Workshops, Cookery, Visits to local sights, Woodland Activities, Adventure Trails, Fun Science, History Detectives etc.*

Most activities take place outside. If it is wet we have an outdoor classroom, large school hall and Art room. Teachers plan indoor and outdoor activities, including trips out (for 6 – 11 year olds). Please send swimming costume and towel every day if the weather is warm for the water games. Please apply sunscreen before Summer Fun School and ensure your child brings a sun hat. **Please send your child in trainers or sensible shoes (not flip flops, crocs or similar unsuitable footwear).**

Designated trip days for 6 – 11 year olds are each Thursday. **Children cannot be booked in for a trip day alone, but must attend at least one other day during that week.** If your child is attending on a trip day please make sure you send plenty of drinks in plastic bottles or cartons. No cans or glass please. If the weather looks doubtful on trip days, please send a waterproof jacket, preferably with a hood.

Every Friday from 4.00 pm - 8.00 pm is campfire night. During the evening there will be organised games, campfire and a barbeque or meals that the children help to cook. All children aged 6 and over are welcome if they have attended Summer Fun School for that day. Please send your child with long trousers / leggings and a long sleeved top. If your child has special dietary needs please let us know ASAP and we will arrange for an alternative meal if necessary.

Whilst your child is attending Summer Fun School, you may decide to increase his/her sessions, so please speak to a member of staff who will check our registers. If we have any places available we will do our best to accommodate you, although this may not be possible unless there are any cancellations, as most sessions are usually fully subscribed. N.B. Sessions already booked cannot be changed.

Please return your form as soon as possible to avoid disappointment. If you return it late we may not have spaces available on the days that you have requested. When we receive your booking form we will return a photocopy to you confirming the days / sessions you have booked are available and indicating those that are already full.
